STORY

THE FARMER

Do stories always have to have a happy ending?

Calypso is reading a story to Bluey and her class. "... And they all lived happily ever after. The end," says Calypso closing the story book. Bluey puts up her hand...

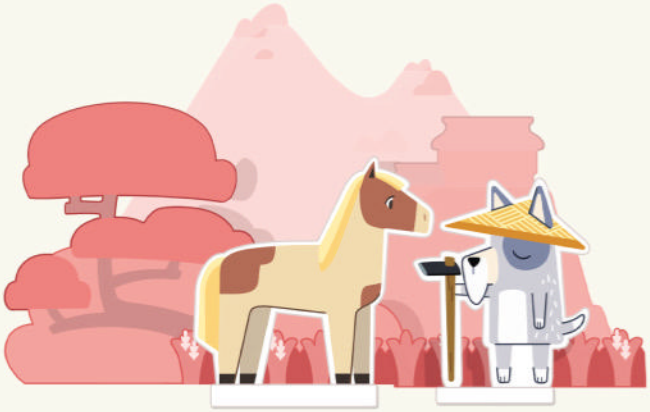
"Yeah, like when my guinea pig ran away, my mums told me he might come back. But he didn't," says Pretzel. "Ohhhh," sigh the kids.

"My Dad doesn't live with my Mum and now he's lonely all the time," adds Winton. "Ohhhh," sigh the kids again.

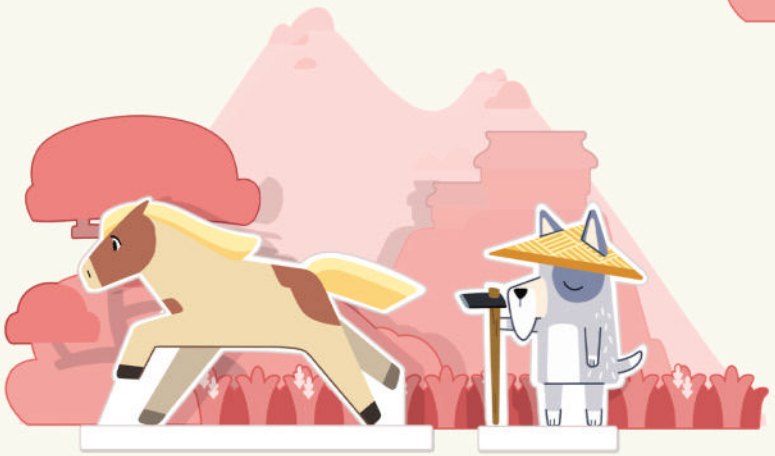
"My Dad is moving us to another city, and I'll never see any of you ever again," says Bluey, sadly.

Let me read you this story. It's called The Farmer. **See what you think of its ending.**

Once, there was a farmer who owned a beautiful horse...



But one day, his horse ran away.



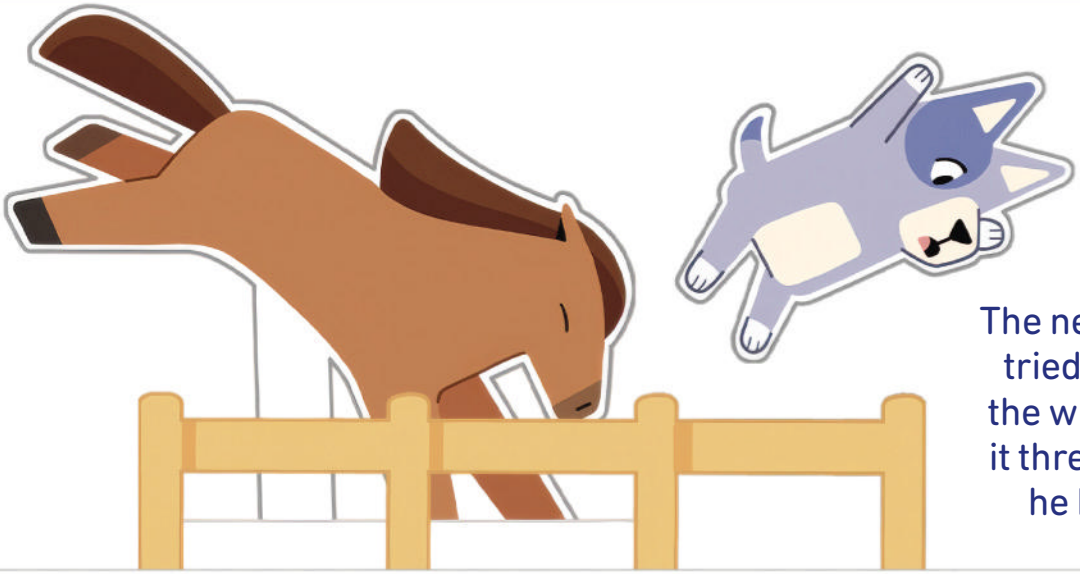
Upon hearing the news, his neighbours came to visit. "That's such bad luck," they said.

"We'll see," replied the farmer.

The very next morning, his horse came back, and it brought three wild horses with it.

"Wow! That's such good luck!" said the neighbours.

"We'll see," replied the farmer.



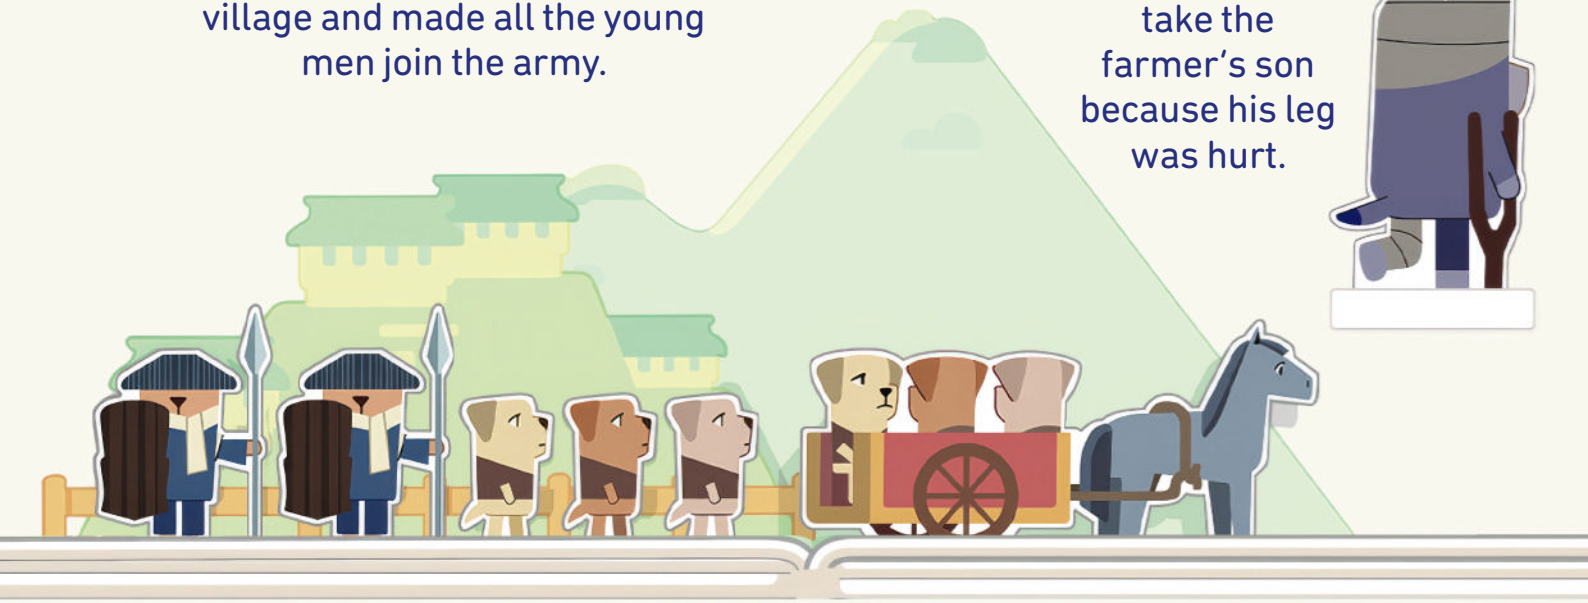
The next day, his son tried riding one of the wild horses, but it threw him off and he hurt his leg.

The neighbours said, "That's bad luck."

"We'll see," said the farmer.

The next day, soldiers came to the village and made all the young men join the army.

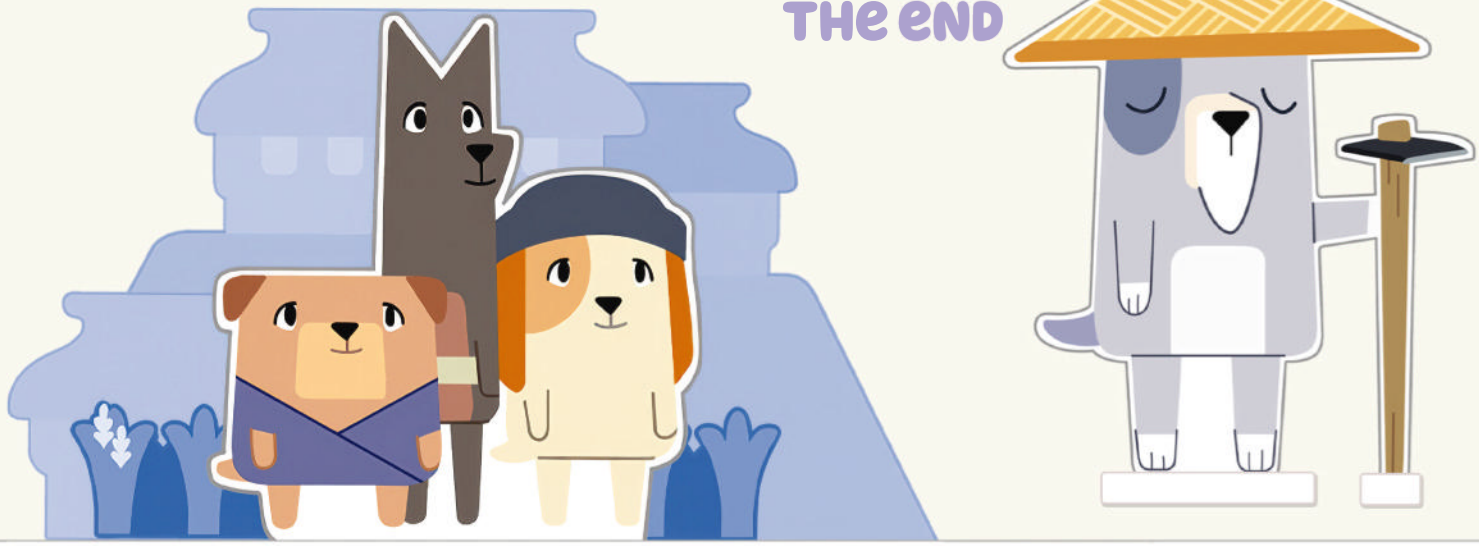
But they didn't take the farmer's son because his leg was hurt.



"That's such GOOD luck," said the neighbours.

"We'll **see**," said the **farmer**.

THE END



"Is that a happy ending or a sad ending?" asks Bluey. "It's both," says Calypso. "I don't understand," says Bluey.

"Everything will work out the way it's supposed to, Bluey," Calypso tells her. And Bluey smiles.

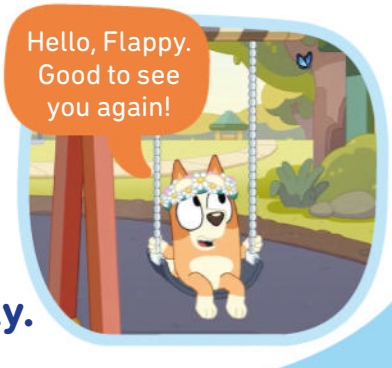
Flappy



Bingo's fluttery friend shows Mum a sign that leads them all to the Lookout (where Frisky is!). That was lucky.

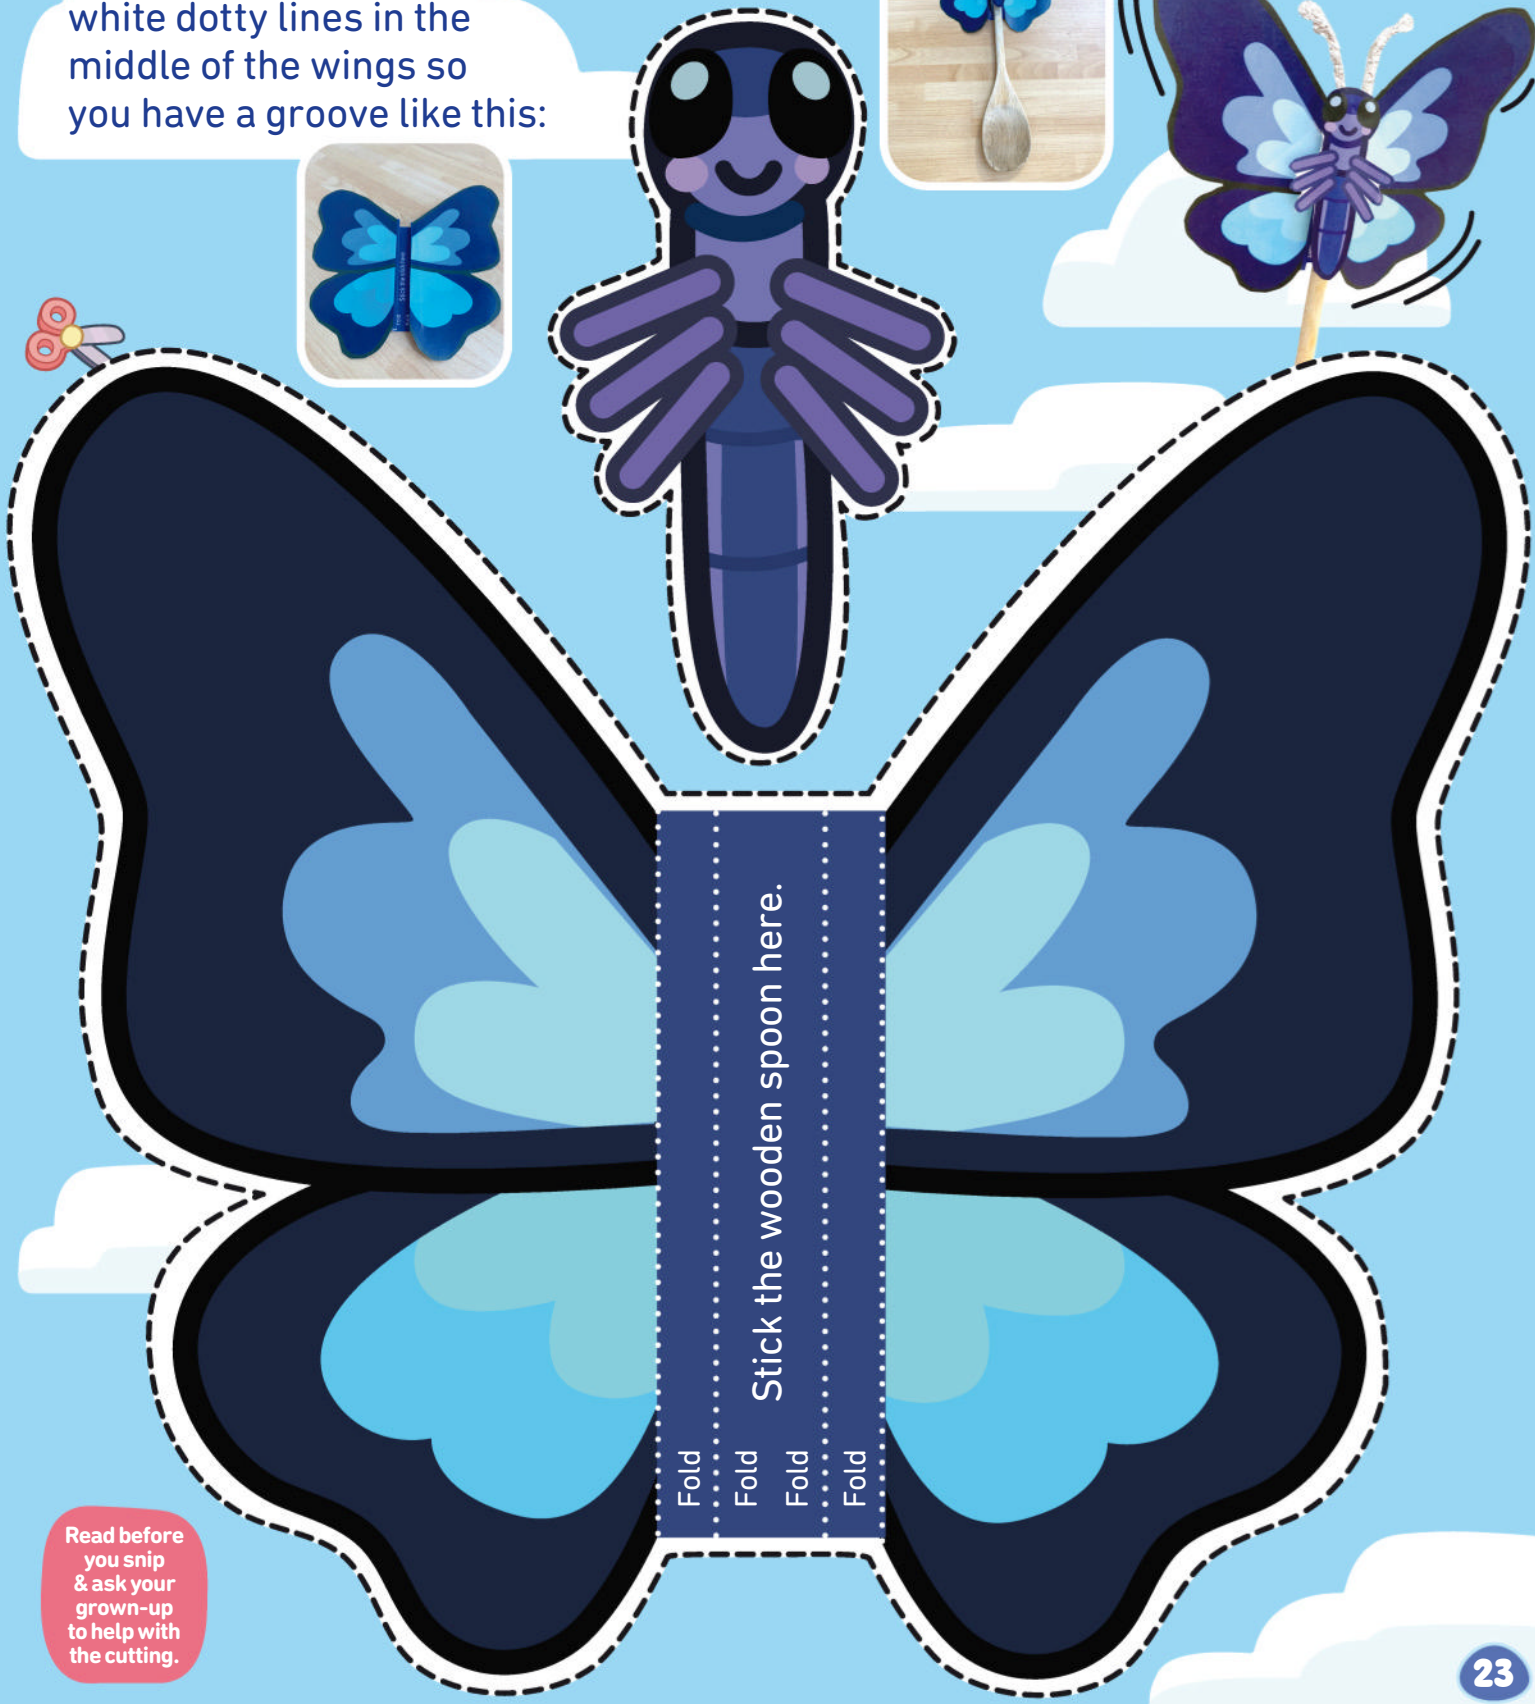
Use the grid to help you draw the other half and colour the piccie so Flappy appears!

Bingo first met Flappy as a caterpillar! Make your own flappy Flappy... just grab a wooden spoon, foil, scissors and sticky tape.

1 Snip out Flappy's wings and body. Make antennae from twisty foil!

2 Fold along the white dotty lines in the middle of the wings so you have a groove like this:

3 Stick the wooden spoon in the groove (we used rolled up sticky tape). Then stick the body on top of the stick. Aaand... FLAP!



Read before you snip & ask your grown-up to help with the cutting.

I-SPY!

Play this game next time you're out and about! Cross things off your I-spy card when you spot them. Who will get a line first?

PLAYER 1

Cake	Swing	Coin	Red car
Juice drink 	Emergency vehicle	Steps	Gnomes or garden ornaments
Blue car 	(You hear) music 	Butterfly	Traffic lights

The first player to get a line **down**, **across** or **diagonally** shouts **"HOORAY"** to win. But can someone cross off every square and get a **full house?** It's trifficult, but give it a go!

PLAYER 2

SPOT THE DANCE DIFFS!

Rad and Frisky are making an announcement (no... not that, Nana!). Can you spot 10 differences between the piccies? Let's get on it!

Colour a music note each time you spot a difference.

DOGS WITH NO EYES

Oh, biscuits! They want to buy Bluey and Bingo's house.

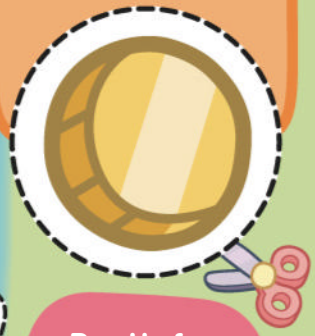
Make your own dogs with no eyes - gotta be done!

1 It's too easy! Just snip out the dogs and stick them around a cardboard roll.

2 Cut out the extra fringes and snip along the dashed lines so they're fluffy (wrap them round a pencil to create curls!).

Make Bluey's lucky coin too.

Snip and stick to cardboard, then hide it for someone to find. Who will be lucky?



Read before you snip & ask your grown-up to help with the cutting.

What can the dogs with no eyes see through the telescope?

Let's see if we can find our new home.

The thing is – they really want a house with a pool (because Queensland summers ARE hot!).

Tick when you spot...

RISKY'S
DING

Make... Rad & Frisky's Wedding

YOU WILL NEED:

- cardboard box
- cardboard rolls
- paints, tape & string or yarn
- foil or lolly wrappers
- scrap paper
- a grown-up to help

1 Cut around 3 sides of the box and fold the flap down to make the floor. Paint on the grass and a white path.

2 Paint the back and sides of the box – any colour you like! Then snip out the wedding arch and marquee piccie and stick it at the back of the box.

TOP TIP

Blow bubbles to make the moment even more special!

3 Cut out the characters and stick them to cardboard rolls so they stand up.

4 Grab another tube to make the tree trunk and top it with scrunched up paper, then paint it. We added some real leaves too!

5 Stick little bits of shiny foil to string or yarn to make some pretty fairy lights and string them from the tree to the box.

6 You're ready to recreate the special moment. Make sure the bridesmaids don't walk too fast! Awwwwww!
